

Welcome to listen to the 2024 Summer Services Broadcast, July 4-7, 2024! Below is a schedule of prerecorded programs and live interviews planned for these services. All times are in PDT (Longview time). Please note that this schedule is subject to change.

In addition to prerecorded programs and live interviews, we will broadcast Songs and Hymns of Zion from LLC Albums and short readings on the service motto from Psalm 9:2, "I will rejoice and be glad in Thee." These programs have been produced by volunteers from across North America. We warmly thank all the willing workers and hope listeners will enjoy the broadcast.

Please send your feedback, comments and greetings to servicebroadcast@llchurch.org.
