Nativity Scene

Follow these instructions to color, cut out and prop up figures to create a nativity scene. Enjoy!

Artwork and instructions: Darlene Sutinen

These pages were originally published in 2013 Christmas in Zion.

A Nativity Scene for You

YOU WILL NEED:

- Popsicle sticks, or toothpicks
- scissors
- glue
- nativity scene figures (on pages 105 and 107)

DIRECTIONS:

- 1.** Color baby Jesus, Mary, Joseph, shepherds, and the manger.
- 2.** Cut out each figure. Also cut along dashed lines in Mary's arms and the manger.
- 3.** Glue each figure to a Popsicle stick, or toothpick.
- 4.** Play with the figures. You can even move Jesus from the manger to Mary's arms!

If you wish, you can build a stable out of a shoebox, foam, or other materials.
