

In 1982, *By Faith*, a handbook on Christian doctrine, was translated from Finnish and published for use in Sunday school and Confirmation classes.

The brown, vinyl-covered, *Songs and Hymns of Zion* songbook was published in 1980 and contained 249 songs, translations of old songs and songs newly written. The book was used at worship services, in homes and throughout Zion for nearly 30 years.

*The Voice of Zion* was further developed in the 1980s by including articles about contemporary issues, articles on doctrine, adding more color and cover photos, increasing the size from 16 to 24 pages and adding a children's section with puzzles and a coloring picture.

Other annual publications included the *AALC Telephone and Address Directory* and *AALC Calendar*.

The first *Christmas in Zion* was published in 1984, providing opportunity for more articles about Christ's birth as well as special-interest articles.
