A Christmas Part for Abby

Click the link above to listen to a story about Abby, who can't wait for her Sunday school program.

In this video you will hear about Abby. She dreams of playing the part of an angel. She can almost feel those wings on her back. Then comes the day when parts are assigned. What part does Abby get?

This story was written and illustrated by Ruth Roiko.

It first appeared in 2011 Christmas in Zion, and in 2019 it was published as a book.
