An Angel Came from God Above.

This video of song of Zion 33 is a new video in our Songbird series.
It features artwork by Marguerite Ojala. Paula Hillukka produced the video.

1. An angel came from God above to tell of Jesus' birth.
The fearful shepherds saw the light that shone from heav'n to earth.
2. The angels said: "Be not afraid, there's joyful news for men.
The promised Savior has been born this night in Bethlehem."
3. "For this shall be a sign to you, in swaddling clothes you'll find
a baby in a manger laid, God's gift to all mankind."
4. The song of praise grew louder still as angels filled the sky:
"Good will to men, and peace on earth, glory to God on high."
5. The angels' song is with us still; through faith we yet believe.
We, too, shall sing the angels' song when heaven's shore we see.
